COUNCIL AGENDA: August 24, 2004

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Amend Community Block Grand (CDBG) Project Prioritization for Fiscal Year 2002-03

RECOMMENDATION:

It is recommended that the City Council cancel the At-risk Children's Resource Distribution Program - Children's Fund and the Sexual Assault Response Team (SART) San Bernardino Assault Services projects and reprogram these fund allocations to the City's contingency account for use on other CDBG eligible projects within the City of Loma Linda.

BACKGROUND:

On February 26, 2002, the City Council approved fund allocations for FY 2002-03 CDBG allocations. Included in the allocations was \$500 for the Children's Fund and \$500 for SART. The County has been requested by the U.S. Department of Housing and Urban Development (HUD) to expedite and complete all CDBG projects that have been open more than one year.

ANALYSIS

In order for the County to officially close out these files they need the City's request to cancel the projects and reprogram the funds. The County has not received any documentation or billings from either Children's Fund or SART. This action will not jeopardize any future funding opportunities for the City or other non-profit agency.
